Faction Leader Application

Before submitting a faction leader application, please read roleplay rules on Discord and check you have satisfied the following requirements:

- *The player MUST have 3000 alignment with the faction they wish to rule.*
- *The player MUST have at least a Town or Castle as claimbuild.*
- *The player MUST have an approved roleplay character.*

The player MUST understand that to be a faction leader means you are switched to PvP and that you will be a part of our war system.

Faction Leader Benefits:
Faction leaders get many benefits which are listed below. It is important to remember that you may not agree with your leader and there is always the option for a civil war. The guide to declaring a civil war may be found in the war guide.

- A fancy title of your choosing within reason.
- A fancy gold K in chat.
- Control of your faction's movements and tactics in wars.
- Set up trades with other factions for their weapons.
- The ability to give faction members titles and "roles" through RP.
- The ability to designate players to have autonomy over their claimed regions.
- The ability to control your monthly resources.
- The ability to propose alliances with other factions.
- The ability to change your faction's name once you conquer at least 1 other faction.
